

Newsletter March 2007 ...

I know most of you wait in anticipation for my...as some would say... quirky little newsletter... well the weight & burden is gone if you trust in Jesus, I mean here it is, bee it only one buzz for quiet some time. But, nevertheless & hopefully more.... rejoice !

Goodnews the Clown was again exceedingly busy last year 'preachertaining' his way thru around 40 shows, including 13 rap-tuous school scripture assemblies in the Newcastle area.....bbbbbut... kkkknocking back around around 55 message opportunities including 40 SRE assemblies....

How amazingly open are the doors !!!! "Goodnews" is popular because he is 'available', but at the same time 'unable' due to work commitments.... but Praise God for the thousands of kids who herded into the show and hearded the easter rap... I mean they were so rapped that they were still singing it weeks later.... so my spys tell me....

Now as for me I was blessed to be able to preach up a Holy Spirit firestorm, as guest preacher almost a dozen times ...obviously the year of living dangerously.... I know I still trail "Goodnews" but hey, he is a hard act to follow...although some say they can't tell the difference.

Thankyou to the churches that invited me to mess-age them & their's, that's 'mess' with their heads & hearts, last year.But.... Warning Warning don't invite me if your Gospel ends at the cross, because I preach the resurrection & the promises of God.... The Cross is crazy to the crew who are carking it !...but me thinks that many of the 'righteous receive the resurrection as ridiculous'it's high time to awake out of the slumber party....we are not bananas in pyjamas we are Messiah's Fires !!!!!

Intercession Intersection

I'm very eager for 'Goodnews' to be full timepray for soon manifestation... I want to say yes yes yes to all these invites, not no no no.... to be known as ..Yes Garry Yes !!!... not ... No Garry No !!!

We have moved 3 times in the last 4 years, due to landlords selling the abode we was thinking was home.

Well its happened again after only 10 months ..up goes the for sale sign ...Pray that we might be able to find more permanent accommodation.

As I is a travelling itinerant preachertainer, please pray for my family as I seem to go missing for periods of time throughout the year.... Like the soon, very soon outback patrol....3 states in 7 days... reaching & encouraging 1000's, especially kids, 3 school SRE assemblies a day !!!!!

Big Blessings in the Name of Jesus Garry
