Why a Fun-Raiser ?

We all called to help make this world a better place. So "Projects abound" Some reach out to the poor, the sick, homeless, the oppressed & unreached. Some focus on animal care, some focus more on the environment. Some focus on missions locally, some nationally & some internationally. All seem to work through a dedicated crew of volunteers, but even volunteers need food & shelter... and whether a mission project, aid project, community project.... They all need to be financed...

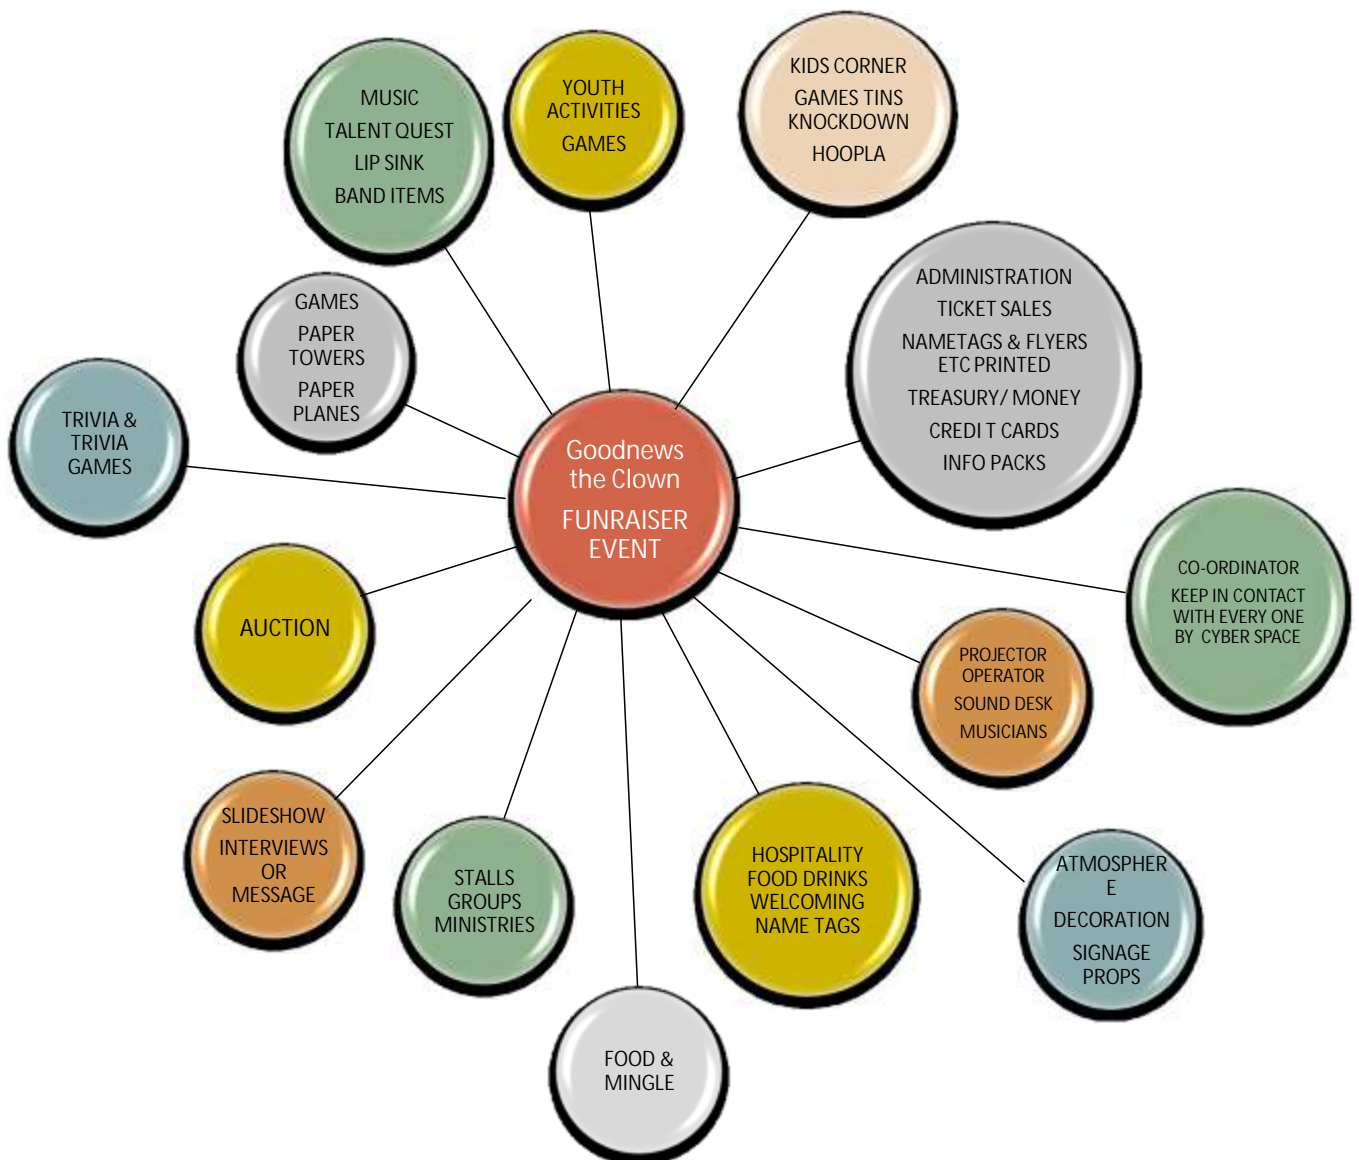

This is where the joint initiative of "Fun-raisers comes in....

Funds for your churches Missions & Projects as well as Funds for my missions to the many places & schools across the Outback reached by Goodnews the Clown...

100% of Funds Raised on the night go to your project, 100% of ticket/door sales go to Goodnews the Clown all raised in a fun family way It's a great win win situation !

1. So pick a project & a night (eg Friday, Saturday)

Goodnews the Clowns... "Fun-Raiser Night"

A great night to invite friends & your community
A fun way to fundraise for your needs & mine
A fantastic outreach evening for your church

Have heaps of fun and help "Goodnews the Clown" raise the support bar, so he can say "Yes!" to many more Gospel presentations throughout Australia.

There is no shortage out schools wanting "Goodnews" back time and again... Les Nixon from "Outback Patrol" says that Goodnews is the easiest theatrical evangelist to book with whole itineraries often being completely booked out in just hours.

Over the past 20 years, Goodnews has presented up to 150 shows per year, knocking back 100's of invitations due to finance restraints... I believe this is about to change.

More than ever churches have a massive opportunity in a fun way to fund these extremely popular scripture assemblies. The Govt. seems to be stuck between a rock and a hard place... they want us to do more shows, but because we are not stepping up to the plate, they figure that they have to step in and stand in the gap with "ethics classes & assemblies"...

Help stop turning away those who are eager to hear the gospel... that I can say yes to upto 1000 presentations a year

"Fun Time" for your church... "Timely Funds" raised for Goodnews & your missions...

The Lord recently showed me...
a great way to "fundraise" is to "FUN-RAISE"

- Choose a Friday or Saturday night
- Book Goodnews to run and comper the night
- Run various fund raising activities, like auctions, slave auctions, sell food, cakes snacks, drinks etc charge an entrance fee,
- Have some items, games,
- Have a fun gospel message from Goodnews
- Be prepared with infopacks for the seekers who enquire more about the things of God and your church

Put a challenge out, in your announcements or newsletter and let the Lord raise up those members of the body he wants to get things going...

Jesus is Lord..... The Joy of the Lord is our strength....
